About the VFS...

Did you know that all profits from
 The Vegetarian Food Store support
 Redding Adventist Academy?

In fact, the VFS purchased the bleachers
 at the sports field and contributed to many
 recent projects like the lobby security
 features and the Chromebooks used by all
 students! But the VFS's largest contribution
 was purchasing new desks and chairs for all
 three classrooms in August 2015.

When we say you support RAA at the
 Veggie Food Store, we mean it!
